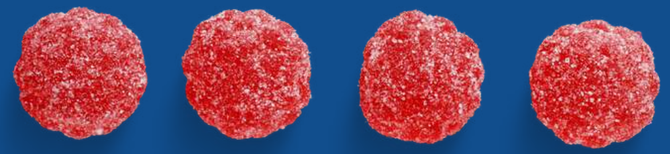
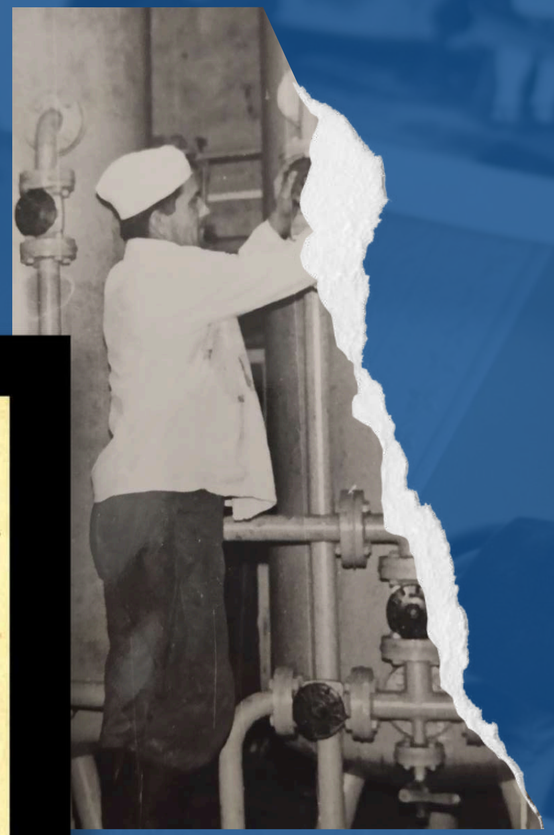
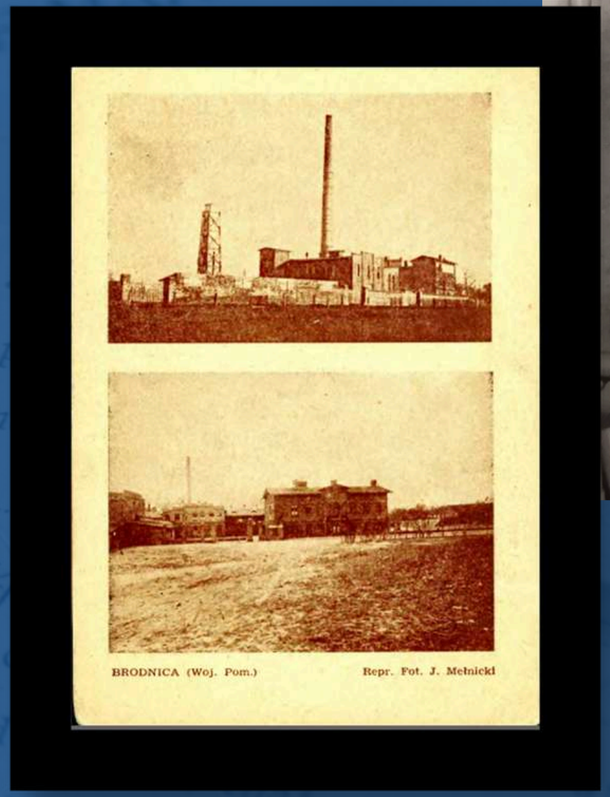
COMPANY PROFIL



GELATIN Brodnica EST 1937





HISTORY

Gelatin Brodnica has been producing since 1937.

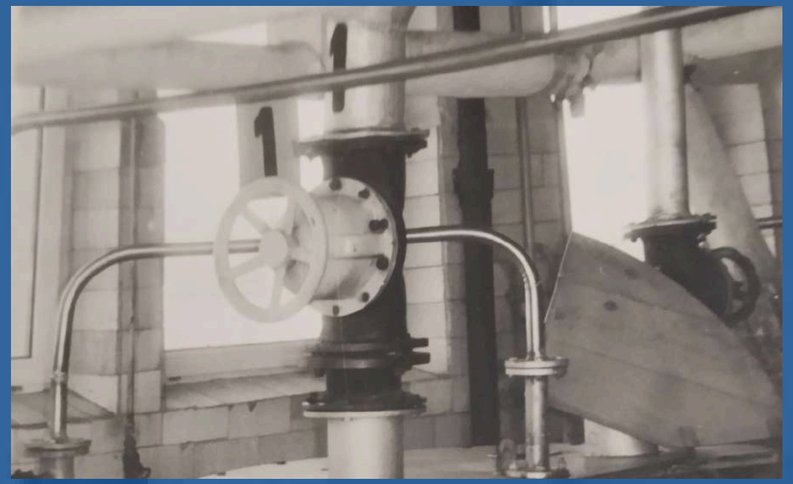
A production department was then established in the Municipal Slaughterhouse,
which dealt with obtaining gelatin from pork skins.

Work on launching mass production was interrupted by the outbreak of war with Germany in September 1939.

GELATIN Brodnica EST 1937

In 1946, the factory was established as a separate plant.

GELATIN Brodnica EST 1937



This is what gelatin production in Brodnica looked like in the early days.

NOWADAYS...

Gelatin Brodnica has been operating in its current legal form since August 13, 1999.

We are a company with 100% Polish capital.

The shares belong to the family of Renata and Marek Hildebrandt.

GELATIN Brodnica EST 1937

Between 2008 and 2017, we modernized the entire production line, focusing primarily on reducing the plant's environmental impact.

Our quality systems are regularly audited and fully compliant with international ISO and BRC standards. These certifications confirm not only product safety, but also process transparency and consistency.

EXPORT

We deliver gelatin to customers across Europe, Asia, the Americas, and Africa. With trusted logistics partners and a flexible approach, we ensure fast, secure, and reliable shipments — always on time and tailored to our clients' expectations.

TRADE FAIR

We take part in the most important trade shows in the food and functional ingredients industry – both in Europe and across other continents (for example South Africa).

Here is the list of trade shows we will attend in 2025:

- Hi Japan, Tokio, Japan, 15-17 October
- Supply Side, Las Vegas, USA, 27-30 October
- Fi Europe, Paris, France, 2-4 December

OUR VALUES: TRADITION AND INNOVATION

At Gelatin Brodnica, we are proud to be a family-owned company — rooted in tradition, but open to the future

In the photo: Marek and Renata Hildebrandt,
the owners and heart of the company, their daughter Marzena (our current CEO), her husband, and their children - the next generation.

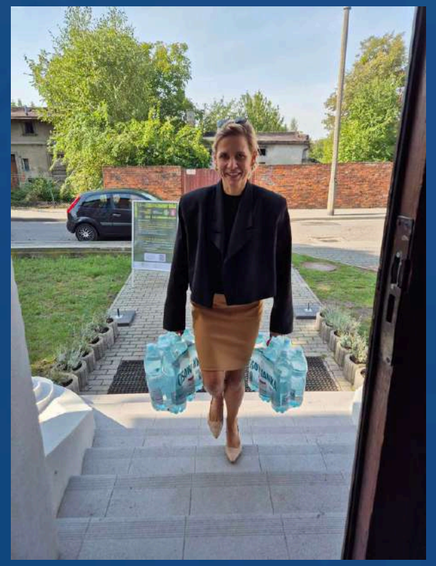
We believe that:

- Experience and history are our strength,
- New ideas and courage move us forward,
- And Marzena, as the new leader, brings a fresh perspective, a global mindset, and a strong focus on people and innovation.

WE SUPPORT AND GIVE BACK

At Gelatin Brodnica, we believe that real strength comes from being part of the community.
That’s why:

- We support youth sports development — through an official partnership with Sparta Brodnica.
- We engage in charity initiatives, such as “Smiling Day” and book donations for children.
- We support foundations and social initiatives.
- In times of crisis, we take action — we delivered essential supplies during the flood emergency.



BUILDING TEAM SPIRIT

We believe that a strong team is built not only through effective work, but also through shared time outside the office.

We organize company picnics, kayaking trips, English lessons, and other activities that strengthen relationships and foster a positive atmosphere.

IN SUMMARY

Why Gelatin Brodnica?

Long history and expertise in gelatin production

With over 85 years of experience, we have mastered every stage of gelatin production — from raw material selection to final quality control. Our know-how ensures safety, consistency, and recognition from customers around the world.

Only gelatin factory in Poland

As the only gelatin manufacturer in Poland, we are a unique point of reference for the entire market. This position sets us apart — and carries a responsibility to deliver the highest quality, full transparency, and the trust we've earned both locally and globally.

Fully independent, family-owned business

We are a fully independent, family-owned company, built with passion and responsibility across generations. Our structure allows us to act fast, stay flexible, and focus on long-term partnerships — not just short-term profits.

Strategic location close to raw materials

Our location near key raw material suppliers is no coincidence. It allows us to shorten the supply chain, reduce logistics costs, and maintain full control over quality from the very first stage of production.

Transparent communication and deep market knowledge

We are not a corporation — decisions are made quickly, flexibly, and without unnecessary bureaucracy. Our transparent communication and deep market knowledge allow us to respond fast and offer real, effective solutions.
